

HERE COME THE INDIANS!

The Flat season is upon us and much anticipation awaits the first runners by Tweenhills' first-season sire Sleeping Indian. Time will tell whether they have inherited the class of this multiple Group winner by Indian Ridge, but if trainers' reports are anything to go by the future looks bright.

Kevin Ryan purchased yet another two-year-old by Sleeping Indian at the Goffs Kempton Breeze-Up Sale, Lot 3, a colt out of the three time winning mare Aimee's Delight. Kevin said of his other two: "They have great temperaments and are really sharp precocious two-year-olds that I like a lot."

Another trainer extolling their virtues is Richard Hannon Jnr, who commented: "We have got two crackers by Sleeping Indian. One very precocious and sure to win early, and the other owned by Thurloe who is all quality and could be anything."

REBECCA'S HORSES TO FOLLOW

More progeny out of NH and Cheltenham heroine, Lady Rebecca, are set to make their racecourse debut soon.

Her five-year-old son by Hernando, Captain John Smith, has been going well on the gallops and trainer Tom George will aim him at a bumper this season. In addition, her three-year-old Old Vic filly was recently broken-in at Tweenhills, and will go into training in the autumn for the same syndicate who raced Lady Rebecca herself.

Those to have run include the impressive Listed bumper and hurdle winner, Lord Generous, who has recently moved to Nicky Henderson. All of them will ensure Lady Rebecca's name is not forgotten, and with her also due to visit Kayf Tara this season exciting times lie ahead.

BREEDER PROFILE

Clive Ashby

How did you first meet David Redvers?

Having known his parents for many years I first met David when he was enjoying squirting his baby sister with toothpaste at the age of two!

Later I taught him at Prep School, and then became his first employer, when he worked as a Gap Student at The Elms School where I have now been Headmaster for 25 years.

First mare purchased with David's advice?

Nice Lady. She produced the winner Cinnamon Lady, who subsequently produced the black-type filly Doric Charm.

What was the appeal of breeding?

I find it fascinating following the family lines of my mares, not to mention my pigs and cattle as well. I also enjoy foaling the mares myself.

What mares do you currently own?

Desert Gold is owned in partnership with Tweenhills and is due to have a foal by Sleeping Indian. My four other mares include Czarna Roza, dam of five time winner Mabait.

Future ambitions?

Continue to breed good sound horses, and I would love to breed a Group winner.
