## NOMINATION FEES CUT BY 25%

To reflect the downturn in the recent yearling sales, the nomination fees for Tweenhills stallions will be reduced by approximately 25% in 2009.

We appreciate the importance of keeping costs under control for our clientele in these difficult times. Although there is a strong argument for keeping our fees the same or even increasing Lucky Story's, our main goal is to assist breeders where possible. Making our stallions affordable whilst keeping a close eye on quality control, and giving our stallions the best possible chance to flourish continue to be our priorities.

ISHIGURU	£3,500	LUCKY STORY	£3,000 (Oct 1st SLF)
SLEEPING INDIAN	£4,000	TRADE FAIR	£3,000

All terms are October 1st Live Foal or Free Return unless otherwise stated. Remember deals are here to be done and Tweenhills will be more competitive than anyone else for the right mare.

Look out for Sleeping Indian's cracking first foals at the sales including this colt ex Bon Vivant

## TRADE FAIR YEARLING REALISES 20X STUD FEE

Another first crop yearling by Trade Fair realised 80,000gns, an impressive 20 times his original stud fee. The colt out of Ballet was knocked down to David Elsworth at the Tattersalls October Sale Book 2.

Bred and consigned by Highclere Stud, a delighted Lady Carolyn Warren said: "He was a most impressive individual with size, scope and a great walk, John and I loved him."

Trainer David Elsworth was equally delighted to have purchased this yearling having trained his Stakes winning half-brother Island Sound, commenting: "It is obvious why he was so popular at the sale, he is a particularly gorgeous horse. I really like him."

## NEW BREEDING EIS

Tweenhills will be launching another Enterprise Investment Scheme (EIS), on a similar line to the syndicate that has enjoyed such success at the sales over the last couple of seasons.

David Redvers said: "There are now tremendous opportunities in the market place and I want to put our clients in a position to maximise their chances over the coming months. We will be looking to invest in quality young mares with a three year plan, whilst maximising the tax breaks afforded by the EIS scheme."

Previous Tweenhills success includes:

	MARE PRICE	SALE PRICE
Complimentary Pass	39,000gns	353,000gns (3 foals)
Crafty Buzz	25,000gns	92,000gns (1 foal)
Dance Lesson	54,000gns	155,000gns (mare & foal)
Lindesberg	70,000gns	110,000gns (1 foal)
