

FOAL CREATES A RIPPLE

The Bahamian Bounty foal out of Ripples Maid went a long way to recouping the cost of purchasing her dam when realising 75,000gns at the Tattersalls December Sales. This Dansili mare was purchased by David Redvers at the Tattersalls July Sale for 132,000gns with the filly foal at foot and in-foal to Compton Place.

Also at Tattersalls December Sales, Glittering Prize lived up to her name. Purchased by David for Redmyre Bloodstock at the Tattersalls February Sale for just 15,000gns, she made 56,000gns at the December Sale in-foal to Ishiguru. A ringing endorsement for the late Tweenhills sire.

Another tremendous result at the breeding stock sales for a Tweenhills partnership was Security Interest. The dam of Radiohead fetched €130,000 at Arqana, matching the price Radiohead himself realised at the Goffs Foal Sale in 2007. A fantastic profit considering Security Interest was purchased by David with Stephen Hillen and Charlie Mason for only \$25,000 with Radiohead in utero.

Lady Rebecca's son, Lord Generous, comfortably wins his third race

LADY REBECCA'S NOBLE LORD

Progeny out of NH and Cheltenham heroine, Lady Rebecca, are continuing to fly her flag.

Lord Generous was eased to victory recently to land his second race over hurdles this year in impressive fashion under A P McCoy. He is already a Listed Bumper winner at Cheltenham and will now be aimed at Graded races over hurdles by trainer Andy Boxhall.

In addition, the Tweenhills bred Fair Mix gelding out of Lady Rebecca's first foal Leading Lady realised €42,000 at the recent Tattersalls Ireland NH sale. He was knocked down to Highflyer Bloodstock for Lord Generous' owner Dai Walters.

RED FACES IN FRANCE

Overheard in the bar at Arqana's Breeding Stock Sale:

A well know Newmarket based Northern Irish bloodstock agent on being ignored by the French barman turned to two of the Coolmore team, one well known and the other in Coolmore jacket and says: "France would be a lovely place to live in if only it weren't for the French – God they can be an ignorant race."

He was met by howls of laughter by the one and a Gallic shrug from the previously unfamiliar Coolmore clad Frenchman. Red faces all round!

MULTIPLE STAKES WINNER FOR JUST 10,500GNS

Without A Prayer gained yet another Stakes success when landing the Hyde Stakes (Listed) over 8f at Kempton. It was an extremely impressive run being just 0.07 seconds off the track record.

Trained by Ralph Beckett, this four-year-old Intikhab colt was purchased by David Redvers with Ralph for a bargain 10,500gns from Tattersalls December Yearling Sale. He has certainly proved a worthy investment for all his connections having won three Listed races. He is now off to Dubai in great heart where last year he was placed in several valuable races.
