## WINNING STREAK FOR TWEENHILLS RACING

Tweenhills Racing's horses are on a winning streak, with Fenella Rose making all to win her maiden at Epsom in September for trainer Stuart Williams. She confirmed the promise she showed on her debut when finishing second to subsequent Albany Stakes (Gr.3) winner Habaayib. Named after David and Laura's daughter born earlier this year, we are all relieved she has now reached the winner's enclosure!

Sir Mark Prescott was rewarded for his patience with Golden Button, when she also made all and comfortably won her maiden at Wolverhampton in August, following up Ursula's win in July for the racing partnership. All three fillies are held in high regard by their respective trainers and look sure to win again. If you are interested in purchasing shares in Tweenhills Racing for next year contact the office now.

The Ishiguru colt, Ferneley, wins the Del Mar Handicap (Gr.2) in style

### DECISIVE GR.2 VICTORY IN USA

The Ishiguru colt, Ferneley, scored the biggest win of his career when landing the Del Mar Mile Handicap (Gr.2) in USA by a decisive 1½l. Trained by Ben Cecil, he came from off the pace to race home in less than a second outside the course record.

Earlier in the year, Ferneley had finished second in the San Gabriel Handicap (Gr.2) and third in the San Marcos Stakes (Gr.2). Bred by Mount Coote Stud and Richard Pegum, he also won last season's Amethyst Stakes (Gr.3) when trained in Ireland. His dam, Amber Tide, returned to Ishiguru this season.

Remember Ishiguru's yearling crop this year are the best so far, with those sold at the DBS St Leger Sales heading to top trainers including Sir Mark Prescott (£40,000), Tom Dascombe (£32,000), etc.

### INDIAN'S GO TO WAR

Sleeping Indian's first yearlings sold so far are to go to war with Richard Hannon x 2, Kevin Ryan, Harry Dunlop, Jonathan Portman, Tim Easterby, Rod Millman and Pat Morris. The latter will train the yearling out of Page, purchased by agent Bobby O'Ryan for £25,000 at the DBS Festival Sale, who said: "I've liked Sleeping Indian's first-crop yearlings and this was a cracking colt."

Sleeping Indian filly out of Crofters Ceilidh will be offered at Tattersalls October Sale Book 2 (Lot 1060)

### WINKWORTH REDVERS DOUBLE

Raine's Cross and Tropical Paradise scored a winning double at Salisbury on 3rd September for Peter Winkworth and David Redvers.

A delighted Peter commented: "Raine's Cross' race started in sunshine and ended in a monsoon! But this suited Tropical Paradise as she liked the cut. It was a really exciting afternoon and the two horses, both bought by David for just £12,500 and €42,000, are now rated 95 and 100 respectively."

After training for seven years and a year off in Spain, I was assistant to trainer David Wintle for five years until he packed-up in January this year.

#### **What was the appeal of Tweenhills?**

I was keen to try the stud side, and David gave me that opportunity. So far so good, and I'm a few pounds lighter!

#### **What is your role?**

Looking after the stallions and helping with yearling prep.

#### **What do you enjoy most?**

The friendships you make working with like-minded people. We all get stuck in and work hard.
