

LEADING BRITISH-BASED SIRE ISHIGURU

A phenomenal run of eight winners in 13 days by Ishiguru progeny in July ensured his position at the top of the league table for British-based sires in order of percentage of winners to runners. This Tweenhills stallion also rates 7th out of all sires standing in Europe.

With an incredible 45.45% winners to runners, Ishiguru is way ahead of other notable second-crop sires such as Sakhee (40%), Rock of Gibraltar (33%), Invincible Spirit (32%), Kyllachy (31%) and Val Royal (27%).

Add to that his Stakes performers Hellvelyn, Ferneley and She's Our Mark, who was recently second again in a Stakes race, Ishiguru is shaping into a top quality proven sire. Not bad for a sire who stood at only £4,500 this season.

DESERVED WIN FOR SWIFT PRINCESS

Tweenhills Racing's Swift Princess just got the nod in a close finish when taking the 6f Arena Options Handicap at Haydock on 3rd August. This three-year-old filly has been very consistent, coming second twice and third twice in her previous four starts this season, so really deserved the win.

Both jockey Dale Gibson and trainer Karl Burke were delighted with the performance, and believe her owners, Tweenhills Racing VII and Dennis Fehan, will visit the winner's enclosure again with her very soon.

SHUTTLERS ARRIVE

Tweenhills stallion of the moment, Ishiguru, is also hoping to make waves down under. He recently arrived safely at Chequers Stud in New Zealand, for the third season in a row, where he will stand for NZ\$7,500.

Trade Fair makes his second trip to Australia, standing again at Evergreen Lodge for AUS\$8,800.

PARTNER PROFILE

Peter Winkworth, Trainer

When did you first get involved with David Redvers?

We met at Doncaster Sales six years ago, and just clicked.

What does David do for you?

He primarily selects yearlings for me for the Flat. We've bought about two dozen horses together over the last four years.

Why do you use David?

He's been successful for me. From a small order and relatively low budget we have had a Stakes placed horse every year.

Most rewarding horse?

Fanlight Fanny. A 22,000gns purchase from Doncaster Breeze-Up Sales in April, she won her maiden and was second in the Listed Roses Stakes at York. She was then sold for 120,000gns at the Tattersalls Horses-in-Training Sale in October.

Why are so many of your horses named 'Safari...?'

My son runs Offbeat Safaris in Kenya with Tristan Voorspuy.
